Color the Flag

Materials:
Copies of flag to color and fold for everyone (flags need to be copied front to back)
Crayons, markers, etc
Scissors

Coloring: (Done during gathering activity)
1. Have the Cub Scouts color both sides of their flag. Explain to them that the stripes are red and white – with a red stripe on the top and on the bottom of the flag. While they are coloring, ask them if they know why there are thirteen stripes on our flag.

2. Once they have finished coloring both sides of their flag, have the Cub Scouts cut out the flag – close to the edges of the flag. They need to cut out the flag to make it easier to fold.
Our Flag Opening

Materials:
Six Webelos Scouts working on their Arrow of Light Award
Six cards with sentences to read about the history of our flag

Cubmaster or Den leader:
We have had many flags fly over our country over the years. Let’s learn about them now.

Webelos Scout #1: We had the British Red Ensign. It flew over the American colonies before the American Revolution in 1776.

Webelos Scout #2: This is the Grand Union Flag. George Washington flew this flag in 1776, the year that the American Revolution began.

Webelos Scout #3: This is the Flag of 1777. The Continental Congress on June 14, 1777 decided that their nation’s flag should have 13 stripes and 13 stars. We now celebrate Flag Day every year on June 14th.

Webelos Scout #4: This is the Star-Spangled Banner. This flag has 15 stripes and 15 stars – since we had two more states – Vermont and Kentucky – join the United States. It was flying in 1812 during a battle, after which Frances Scott Key wrote our national anthem, “The Star-Spangled Banner.”

Webelos Scout #5: This is the Flag of 1818. This flag has 20 stars and 13 stripes. As more states joined the Union, people realized that the stripes were going to get too narrow. Since 1818, all of our nation’s flags have included 13 stripes representing the Thirteen Colonies and one star for every state.

Webelos Scout #6: This is our flag today. It has 50 stars and 13 stripes. The most recent stars were added in 1959 – for Alaska – and 1960 – for Hawaii. This version of the flag has been in use longer than any other version in our history.

Cubmaster or Den leader:
Let’s all stand and salute and say the Pledge of Allegiance to this great flag that represents our country.

**Den Duties**

**Materials:**
Paper (for writing down duties in each den), markers

**Cubmaster or Den leader:**

Each den (Tiger, Wolf, Bear, Webelos, Arrow of Light) has jobs or duties that need to be done each time that we meet.

What might some of these jobs be?
[Some suggestions: pass out supplies, move tables or chairs, lead an opening or closing ceremony, clean up any mess made during the meeting, etc. For the Tiger den, one of these jobs needs to be to lead the Pledge of Allegiance.]

[For especially the Tiger and Wolf dens, assign specific people to duties or jobs in the den. The Wolf den will have to do duties for a month – for adventure requirement completions. Tigers need to each rotate having a turn at leading the Pledge of Allegiance.]
Match the Meaning Game

Materials:
Pledge match word strips – cut for each group of 8-10 Cub Scouts (2 pages – each page needs to be printed on a different color paper)
Scissors
Envelope for each group (to keep the word/phrase strips)

Instructions:

1. Give each group of Cub Scout the 2 pages (1 of each color) and scissors. Have the group cut out the words and phrases. (You may have to demonstrate.)

2. There is a match for each phrase or word from the Pledge of Allegiance to another word or phrase on the different colored paper.

3. See how long it takes for each group to match the “Pledge” words and phrases with the “Meaning” words and phrases.

4. When all groups have finished matching, go over the matches and review together the simple meaning of the Pledge of Allegiance.
Respect the Flag Closing Word Strips

**Webelos Scout #1:** How do we show respect to the flag of the United States of America?

**Webelos Scout #2:** We fly the flag to show respect. We can fly it every day and we can fly it on special holidays such as Memorial Day, Flag Day and Independence Day.

**Webelos Scout #3:** We salute the flag to show respect. We can salute the flag when we are in uniform. If we are not in uniform we show respect by putting our right hand over our heart.

**Webelos Scout #4:** We take care of the flag to show respect. We fold the flag carefully to show respect. We also make sure to never let the flag touch the ground.

**Webelos Scout #5:** We retire old flags to show respect. When a flag is worn out beyond repair, we burn it completely on a modest size fire as part of a ceremony.

**Webelos Scout #6:** May we always show respect to our country, by respecting our country’s flag.

Displaying and Folding the Flag Activity

Materials:
Colored flag done during the earlier gathering activity
Real flag or towel to fold (optional)

Displaying the flag:
1. Have each Cub Scout open their flag so that it looks like the following as you talk about it:

   ![Flag Displayed Horizontally]

   When we display the flag horizontally the blue field of stars should be in top left corner.

   ![Flag Displayed Vertically]

   When we display the vertically, the blue field of stars should be in the top left corner.
When the flag is on a pole at the front of a room where a speaker is speaking, the flag is displayed at the speaker’s right (or, as you look at the podium, at the left side).

**Folding the Flag:**

1. Lay the paper flag you colored down flat on the table.

2. Fold the flag down the middle the long direction (hot dog style) – matching corners so that you can barely see the blue field with the stars.

3. Fold the flag in half again down the middle the long direction. You can see some of the stars now.

4. Starting at the end of the flag without stars, fold in a triangle by bringing the striped corner of the folded edge to meet the open (top) edge of the flag.

5. Continue folding the flag as a triangle until no stripes are showing. Tuck the end of the flag into the triangle as well.

6. If you have a real flag or a towel the size of a real flag, demonstrate with help of a Cub Scout how to fold a flag. Let those who would like to practice folding the flag or towel.
Steal the Bacon

Materials:
Some object to take – shoe, stuffed animal, rolled up newspaper, etc

Instructions
Divide Cub Scouts into two teams. Each team sits across from each other on a boundary line.

Once each team is lined up, give each player on each team number, each group should have a one, a two, etc.

Place the "bacon" in the center of the playing area and assign each team one goal line to cross at either end of the playing area.

The leader calls out a number and all Cub Scouts with that number run to pick up the "bacon."

The person who gets the "bacon" first tries to run across his team’s goal line without being tagged. The person whose number was called who did not get the pick up the "bacon" should try to tag the other player before they get across the goal line.

Once someone is tagged or gets across their goal line, the round is over. Players go back to the boundary line with their teams and a new number is called and the game continues.

When a team crosses the goal line with the “bacon” gets a point. The team to reach 5 points (you can change the amount of points) wins the game.
Respect the Flag Closing

This is written to include Webelos Scouts that are working on the Building a Better World Adventure.
