“To Do My Best” Opening

Cubmaster or Den leader:

Everyone, please join me in saying the first line of the Scout Oath.

[Make the Cub Scout Sign and then say the first line of the Scout Oath with the Cub Scouts. “On my honor I will do my best...”]

Part of what we say is that we will do our best.

What does it mean to do our best? [Lots of great ideas will come from the Cub Scouts.]

“Doing our best” means we need to try our hardest to do whatever it is that we are doing.

It doesn’t mean we have to be perfect, but we need to try our hardest and put forth the energy to do the best that we possibly can.

So let’s do our best now as we repeat the Pledge of Allegiance and as we participate in our activities today.
Preparing for the “Campfire” Program

Have Cub Scout all practice their skits, songs and run-ons for the pack program.

Help 5th grade Webelos Scouts determine what the opening and closing ceremonies will be [they could help do the “Listen Closing” that’s in the outline for this week]. Make sure that the Cubmaster is involved with a Cubmaster minute or is somehow part of the Closing.

Make sure that dens know what order the program items will be in so that they know when to be ready to perform.
