

TRAINER'S EDGE

If you are a trainer, or would like to be a trainer, Trainer's EDGE is for you. The Trainer's EDGE course sharpens your platform skills. It provides an opportunity for practice and evaluation. Trainer's EDGE is a prerequisite for anyone who wishes to serve on a Wood Badge staff or NYLT --both youth and adults. Join in the fun and give your participants the EDGE when you train.

Trainer's EDGE brings to life the EDGE model taught in Introduction to Leadership Skills for Troops, Scoutmaster and Assistant Scoutmaster Specific Training, National Youth Leadership Training, and Wood Badge. Participants must prepare a presentation (about five minute duration) before the course and bring the material, equipment, and/or props they need to deliver the presentation. Participants will be given an opportunity to practice this presentation in a small group setting and receive feedback. The topic of the presentation is at the discretion of the presenter, Scouting topics/skills are always good. Additionally participants will prepare a second presentation during the course, practice it with their small group and receive feedback. The Trainer's EDGE is a one day course. Check In begins at 8am, and the course ends at 4:30 pm.

The course is designed for individuals who will be delivering training to adults and youth leaders in all parts of the Scouting program:

- District and council trainers
- Merit badge counselors -- including summer and winter camp staff
- Roundtable staff members
- Pack trainers
- Commissioner trainers
- NYLT & Wood Badge staff
- Troop guides or instructors
- Unit Leaders
- Just about anyone!
